

REMARKS

Claim 13 stands currently amended. Claims 1-12, 17, 19, 20, and 27-29 stand previously canceled. Claims 13-16, 18, and 21-26 are currently pending.

Further to the amendments and arguments contained in the Amendment/Response filed on December 29, 2010 (the entry of which Applicants have requested with the filing of the concurrent RCE), Applicants request entry of the additional amendments to Claim 1 clarifying that different and variable specific illumination patterns and/or profiles are generated (supported by the Abstract and paragraph [0002] of the Specification of the current Application), and that the illumination patterns and/or profiles are generated on or in an eye of a patient (supported by paragraph [0024] of the Specification of the current Application).

Applicants respectfully request Examiner reconsider the arguments of the December 29, 2010 Amendment/Response in view of the above minor clarifying amendments.

Based upon the above remarks, Applicant respectfully requests reconsideration of this application and its early allowance. Should the Examiner feel that a telephone conference with Applicants' attorney would expedite the prosecution of this application, the Examiner is urged to contact him at the number indicated below.

Respectfully submitted,
